

ACHIEVING BETTER COMMUNICATION

Achieving Better Communication, PLLC, a Speech and Language therapy company, conducts screens for possible communication or language delays. Identification of possible problems in their early stages allows for more effective treatment of speech and language issues that could adversely effect social and academic development. One of our licensed speech-language therapists will offer a free screen to your child with **signed permission**. If you are interested, please complete the bottom portion of this form and return it to us. We will contact you to schedule at time that bests works for your schedule. Written results will be provided shortly following the screening. If you have any questions regarding the screening process, please don't hesitate to contact **Tammie Locklear** at (919) 926-1466 or email us at info@abcspeechnc.com.

I give permission for my child, _____, to be screened for possible speech and language difficulties.
